## FAMILY HOUSE

— Gala —

Come together with community leaders and friends in celebration of Family House – providing essential, affordable lodging and support services for patients and their families traveling long distances for medical care to Pittsburgh. Enjoy an evening of cocktails, conversation, dinner, dancing, and raffles alongside 250 Family House supporters from throughout the community.

**Back Again in 2025!** Family House is excited to continue offering the *Cocktails for a Cause* Reception. Young professionals are invited to a festive after-dinner cocktail reception at the Family House Gala. Approximately 60 attendees will have the opportunity to support the organization while networking and enjoying drinks, contemporary cuisine, the signature Gala Dessert Bar, and dancing.

Funds raised at this event will support the new Family Assistance endowment, which will provide additional support for Family House guests with need, further alleviating the financial burden of families traveling to Pittsburgh for medical care. By providing an affordable and comfortable “home away from home,” Family House is where families come to heal.

**Your partnership helps keep Family House open to those who need it most.**
