

# Updates from Family House

Pittsburgh's "home away from home" for patients and families

## Your guide to Family House Family Assistance (FA)

★ About 40% of people who stay at Family House qualify for FA.

★ Patients must contact a social worker to receive the FA application, which they will fill out together.

★ An application will be denied if no income (\$0) is listed or if income exceeds a designated amount.

★ The patient will be notified if the request is approved.

★ **Click the button below to download the Family Assistance application.**

## Upcoming Power Outage

Due to the installation of a new backup generator at Family House, we will have a scheduled power outage on **December 19th**.

Stay tuned for an email providing more details.

## When the weather outside is frightful...

We invite hospital professionals to stay safe and spend the night at Family House whenever inclement weather or another need arises. We're open every day of the year!

Call **412-647-7777** for our availability or book online.

## A Father's Journey: Finding Comfort and Support at Family House

When Katie Fitzpatrick called her father, Bill Fitzpatrick, from Pittsburgh in March 2024, the fear in her voice is something her father will never forget.

Everything changed when a compassionate nurse told Bill about Family House. From the moment he arrived, Family House became his lifeline—and his home.

# Day of Giving was a huge success!

Giving Tuesday was on December 2nd. Family House hosted The Bubba Show on 100.7 Star and activities for guests in our family room.

Thanks to many generous donors, we raised over \$32,000 to support our daily healthy breakfast program!
