

## More Ways to Stay

Family House has been providing lodging to patients and caregivers since 1983, and we also welcome:

- Clinical trial participants.
- Medical professionals traveling to Pittsburgh for a conference or work event.
- Residency candidates who need lodging while in the city.
- On-call surgeons who have reason to remain close to a hospital overnight.
- Other hospital professionals as need arises.
- Anyone in the city for health-related conferences or events.

Call **412-647-7777** for our availability or book online.

**Note:** *We save rooms with the lowest prices for non-medical professional guests in need and cannot guarantee availability every night.*
