

Updates from Family House

Pittsburgh's "home away from home" for patients and families

With more than **500,000** visitors expected in Pittsburgh for the 2026 NFL Draft (April 23–25), Family House is offering weekend accommodations for healthcare professionals. We are conveniently located less than two miles from eight major hospitals.

Shorten your commute so you can focus on patient care.

Guest Feature

Carla & Christer's Story

When Carla Sueta and her husband, Christer Andersson, arrived in Pittsburgh all the way from Asheville, NC in September of 2025, they were stepping into the unknown.

Neither had been to the city before, and the reason for their visit made the unfamiliar surroundings even more daunting.

Partner Spotlight

Rachel Brown

This month begins a series of features on a selection of our healthcare partners from various systems, hospitals, and disciplines.

In March, we're highlighting Rachel Brown of AHN's Social Work department!
